Region 10 School Districts & Charter Schools

Foreword: *Promise! Purpose! Power!*

The Board of Directors, administration, and staff of Region 10 ESC are pleased to be moving into the forty-fourth year of service to the eighty school districts and over forty charter schools of our service area. Our region includes Collin, Dallas, Ellis, Fannin, Grayson, Hunt, Kaufman, Rockwall, and a portion of Van Zandt Counties. We hope that our quality of service is reflected in our 2012-2013 theme: ***Promise! Purpose! Power!***

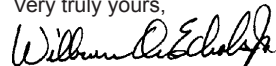

The number one charge to ESCs in Texas is to assist districts and schools in enhancing student performance. The Mission Statement of Region 10 ESC supports this priority promise. Through our programs, training, and publications, we strive to positively impact the learning processes and thus, the academic achievement in our client districts. ***Promise! Purpose! Power!*** voices our joint collaboration with districts to enhance student performance, through planning, programming, training and technical assistance.

Secondly, and sometimes more obviously, Region 10 ESC has as a basic purpose to provide economies and efficiencies of scale through cost-effective products and services. We also promote cooperative efforts between and among schools and districts. In many and various ways, Region 10 is assisting in and encouraging economy and efficiency throughout our region. ***Promise! Purpose! Power!*** exemplifies high expectations for efficiency and economy.

As a third purpose, Region 10 ESC supports initiatives mandated by federal or state action. In these efforts, ***Promise! Purpose! Power!*** exclaims the powerful and positive impact cooperation has on public education. Our goal in this arena is to assist in providing practical understanding and/or application to legislative or agency intent and to support effective implementation of those initiatives.

Please be assured that our Region 10 ESC Staff understands that our only reason to exist is to provide exemplary services for schools, educators, and students. Only when we have contributed to the success of our client schools and districts, can we feel that we have succeeded in our mission as an Education **Service** Center. Therefore, on behalf of the Board of Directors and the staff, I earnestly solicit your ongoing and candid input as we endeavor to 'raise the bar' and become ever better at what we do for you.

We sincerely hope that this PROFILE Directory will be useful to you in your interdistrict communications. Have a great 2012-2013 School Year.

Very truly yours,

 Wilburn O. "Buddy" Echols, Jr.
