

Region 10 Education Service Center

Finance Personnel Training and Development Academy Nomination Form

Superintendents have the opportunity to nominate individuals from within their districts to participate in the Region 10 Finance Personnel Training and Development Academy. The purpose of this program is to provide participants with practical knowledge and specific skills to increase their capacity within a school district's business office. The program provides a year-long set of practitioner experiences through our monthly class meetings along with practical assignments. This academy will create cohorts of professional educators prepared to fill business manager positions or other business office positions.

By nominating a professional from your district to the Finance Personnel Training and Development Academy you acknowledge that the individual is academically, ethically, and physically able to perform the critical and demanding duties required of district business office personnel.

Your nomination signifies your willingness to work in partnership with Region 10 ESC to provide the participant opportunities to work with you and/or other district executive personnel in order to complete practical experiences relevant to district-level business office activities through mentorships within your district. Also, you are permitting these individuals to attend the required monthly classes at ESC Region 10 along with other Region 10 business-related classes that align with this program.

In acknowledgment of the foregoing statement, I nominate the candidate below and proudly affix my signature to this nomination:

Superintendent's signature: _____

School District: _____

Superintendent's email address: _____

Superintendent's phone number: _____

Candidate's Name: _____

Candidate's email address: _____

Candidate's phone number: _____
